Summary:

We have upgraded to a taser that automatically starts our body worn cameras when the taser is engaged. As a result, we would like to surplus 15 tasers, 73 live cartridges, 131 training cartridges, 63 batteries, and 13 Holsters as outlined in the attached listing of equipment. It is requested that we surplus these items, making the tasers available at a cost of \$10 each to other law enforcement departments that may have limited resources and no access to tasers at this time.

Below is the listing of tasers, cartridges, batteries and holsters:

Summary:

We have recently purchased a new police motorcycle and would now like to sell CHPD's current motorcycle, a 2016 Harley-Davidson FLHP Road King Police motorcycle VIN 1HD1FHC16HB633011. It currently has 4,730 odometer miles. This disposition would be managed by the police department utilizing online classified sales options such as KSL Classifieds or similar. Staff recommends approval of putting this vehicle up for surplus with a minimum bid of at least the minimum value indicated by a current, widely-used valuation guide (such as Kelly Blue Book) for this type of motorcycle in its current condition and with its current mileage.
